

## SRS Awards Mini-Grants to Area Teachers

- Grants for 114 schoolteachers, totalling \$50,000 and covering 106 special projects, were recently awarded.
- Since 1989, area teachers have received over \$475,000 through this program.
- The Mini-Grants program recognizes and supports teaching excellence while advancing science, mathematics and technology programs throughout the Central Savannah River Area.

Funding from mini-grants is used for a variety of educational projects.
